12 Month Contract Packages

All of our contract packages carry a **LIFETIME PRICE FIX**. The price will **NEVER** be increased. At the end of each 12 month period, the contract will auto-renew unless we received 30 days written notice before the end of the current contract.

Because we don't have to 'pester' you to try in increase our rates annually and re-negotiate all over again each year, this saves us time and cost, and we pass that cost saving on to you, by fixing the price. The price you pay today is the price you pay for LIFE.
